RE: \_\_\_\_\_  
(Student's Name)

I, \_\_\_\_\_, have asked to be released from the  
Student's Name  
Explorius academic program to return to my home country of Norway.

The date I wish to withdraw from the Explorius program is:.

My natural parents have agreed that I may voluntarily withdraw from the Explorius program and return to my home country. We agree to and understand that we cannot claim a refund of the program fee or financial compensation from Explorius or its partners. We acknowledge that Explorius and its partner, has acted in the best interest of the student and has done no wrong doing. We voluntary choose to end the program for the following reason :

I understand that I cannot make any flight arrangements to return until Explorius informs me that they have received this form back from my natural parents. Explorius will e-mail this form to the international agent for the natural parent's signature.

I also understand that I am expected to stay in school until Explorius gets this form signed back from the natural parents.
